Biography

With over 35 years of dancing experience and several **World and European championship titles** under his belt, professional dancer Allan Tornsberg is today known to be one of the best and most educated teacher and choreographer in the world. He is also recognized and well respected as an international adjudicator at major competitions, including the World Latin Dance Championships, as well as been a Judge in the Danish version of the international television program **Dancing With the Stars** 2006-2010. He is well known for his honest, genuine and sometimes very direct comments on television and has entertained millions of people around the world with his expertise and knowledge. He currently resides in New York City where he coaches and teaches young talented couples to pursue their dreams of becoming the next world champions.
